

HOW THE FORMULAS WORK

They give you energy and vitality. Well-balanced vitamin and micronutrient complexes packed into an easy-digested formula relieve fatigue and stress.

They help your body to remove toxins and wastes. Natural sorbents and herbal antioxidants remove accumulated toxins and enable the organs to function more efficiently.

They maintain acid-alkaline balance of your internal environment. The food that acidifies your body such as meat, milk, baked products, etc. leads to early aging and progression of disorders and diseases.

The formulas preserve your inner and outer youth. Special formula with collagen and hyaluronic acid makes your skin smooth and healthy, your muscles and ligaments elastic and strong.

HOW THE INGREDIENTS FUNCTION

COLLAGEN

Collagen is one of the skin structural proteins. It acts like a skin supporting frame which preserves its elasticity. Collagen is vital for your joints and spine, it provides their flexibility and elasticity. Collagen content in a body decreases with aging, the skin becomes flabby and joints brittle.

DeLixirCollagen + usage will enable you to normalize collagen losses and restore your inner and outer youth.

PH-BALANCE

pH balance is the correlation of acids and alkalis in a body. It is crucial to keep acid-alkaline balance of your internal environment. However, most food that we consume over-acidifies our body. The most food product on our tables such as meat and fish, cheese, sweets, white bread and different sauces are acidic foods.

Over-acidification causes malfunctioning of a body and severe problems. DeLixirPHBalance l helps you to regain the balance.

HOW THE INGREDIENTS FUNCTION

VITAMINS

Vitamins and minerals are the substances vital for the functioning of your body. Deficiency of them leads to more often sickness and fatigue. We might have health problems. Our body gets all required vitamins and minerals from food. But modern processed food contains very small amount of these importance substances.

That's why it is required to replenish the deficiency of vitamins with functional nutrition. It can be, for example, DeLixirMultiEnergy.

DETOX

Detox is the elimination of toxins accumulated in a body. Toxins accumulation is one of the serious problems of contemporary mankind. Poor ecology, drug abuse, infections, increased exercise cause the toxins accumulation. They impair functioning of human organs, cause continuing fatigue and apathy. They have detrimental effect on one's appearance and lower immunity.

In order to eliminate the toxins, one should undertake detoxifying procedure and consume DeLixirDetox on a regular basis.
